

Mayflower York Rite College #105

Welcome Brothers,

One of the York Rite College's functions is to serve as a valuable resource to assist the York Rite Bodies as well as Blue Lodges with ritual. We have members who are willing to provide help in Blue Lodge and York Rite (Chapter-Council-Commandery) Installations, Degree and Order work. We would appreciate as much notice as possible before requesting for assistance, but, we understand that is not always possible. We plan to update our information annually and will do our best to be of service to Massachusetts when asked.

Jacob Yanovich
Pre-Eminent Governor
Mayflower York Rite College #105

Greetings,

This guide lists volunteers from the Mayflower York Rite College for various parts of the York Rite (Lodge, Chapter, Council, and Commandery) Degrees. Each degree is listed along with the various parts and names of college members who have volunteered to fill them during degree conferrals. There are lists available for each of the four bodies.

The college members on this list have specifically offered to help with the parts they are listed under; but they may or may not be available when you need them. If you need help, approach the people on the list via their contact information with at least 2 weeks notice (if possible) and they will let you know if they are available. If there are multiple people listed for a specific part, please either reach out to people you know, or to people who are geographically closest to you.

If you have any questions comments or run into any problems, you can contact me directly.

Michael S Bickford
Degree Resource Coordinator
